The Goal of This Year's Event is Recognition

As we navigate the third year of the pandemic, we are confronted with the reality that COVID-19 changed everything, except for one thing. Much like the history of the United States of America, in wartime and in peace heroes abound. Whether a first responder, medical professional or everyday hero, such as the staff of ILA, people risked their own lives throughout this crisis for the unselfish purpose of saving others. They were successful, but not without a cost physically, mentally and spiritually.

At this year's Golf and Games Outing, we will recognize our heroes and their unwavering dedication to others. We have selected several ILA staff to receive this honor, but we'd like to do more.

We invite you to nominate a first responder or someone who, during the pandemic, made a difference in the challenging road back to stability. While we can't assure that all nominees will be honored at the golf outing, we can assure that all will be recognized for their bravery and their enormous contributions to our world.

To submit a nomination, please contact Ms. Tanya Dinkins, Event Coordinator, at tginyard@ilaonline.org.

Thank you for your support.

The Individuals who participate in ILA services, the staff of ILA and ILA's Board of Directors are forever grateful to you our donor.
